

## Hygiene and Protective Measures

The Sixteenth Bavarian Infection Protection Measures Ordinance (16th BayIfSMV)[1] in the valid version will now apply. This current 16th infection control regulation has been extended until extended until June 25th, 2022. This implements the federal "baseline protections".

The following measures apply to the TAC-5 2022 conference and will be adjusted if necessary in accordance with official requirements.

You will certainly be curious about the measures we have taken to protect your health and data. We have compiled the most important aspects for you here.

To minimise the risk of infection with COVID-19, we also need your help. Therefore, in the second section you will find an overview of the officially prescribed rules of conduct that all guests, as well as the organization team, must follow.

### **SAFETY & HYGIENE MEASURES**

The mandatory 2G and 3G rules for public and private events, in the catering trade, for hotels, cultural and leisure facilities are lifted. There are thus no longer any Bavaria-wide access rules.

All participants of the TAC 2022 must comply with the Corona Hygiene and Protection rules of the DLR organizer

Entering the TAC 2022 Venue / conference rooms with Corona-typical disease symptoms is prohibited.

The conference rooms are also equipped with ventilation systems so that constant air circulation is guaranteed. Also regular ventilation of all areas with fresh air (by open doors/ windows )

All contact surfaces in the conference area, such as door handles or tables, are disinfected regularly on a daily basis.

## FACE MASK PROTECTION

A face mask that covers your mouth and nose must be worn

- All days in all conference rooms TAC 2022 at the venue Hotel St. Georg
- During the bus shuttle from hotel to mount Wendelstein and return
- during the guided tour inside the Wendelstein Observatory

There is no general obligation to wear a mask in the public areas of the venue .

The DLR Organizer nevertheless recommends that all TAC 2022 participants adhere to safety standards that have now been learned for their own protection and that of others. This includes, among others, continuing to wear a mask voluntarily and keeping a minimum distance in all public areas of the conference venue, for your own protection and for the protection of all other participants.

If you have forgotten your own face mask, a replacement will be waiting for you at the registration desk.

We will have masks in stock and also Corona testkits.

All our staff on site are also instructed to wear face masks.

We ensure the safety of all participants, by actively limiting the number of attendees of the TAC 2022 conference

## **FOOD AND DRINK**

All catering services of the Hotel St. Georg are offered in compliance with the actual corona hygiene and protection measures.

If there are special hygiene regulations they will apply for the daily catering in the conference area, in the restaurant and outside terrace.

## **PARTICIPANT MANAGEMENT onsite:**

- Limitation of the number of guests
- Professional electronic participant management

## **WHAT RULES DO I HAVE TO FOLLOW AS A PARTICIPANT OF THE TAC-5 2022:**

- Carry your own mouth-nose protective mask and please wear it in the conference room
- Feel free to continue wearing a mask in the public areas of the venue
- Wash your hands regularly and thoroughly
- No shaking hands and no hugs
- Sneeze into the crook of your arm, avoid facing anyone or anything.
- Dispose of personal waste yourself.

## **WHAT HAPPENS IF THERE IS A SUDDEN CASE OF ILLNESS?**

In the unlikely event of a recognisable suspected infection of a person with COVID-19, there is a tested action plan:

- The person is sent directly home.
- In case of an emergency (if not able to act/drive, etc.), an ambulance is called and the person is isolated until then.

With the combination of your considerate behavior on site and our protective measures, nothing stands in the way of the meeting being carried out. Thank you!
